the Examiner's Decision to the Board of Patent Appeals and Interferences. Accordingly, this Communication is being timely filed.

A final office action was issued on December 19, 2001. Applicants concurrently filed an Amendment in Response to December 19, 2001 Final Office Action and Petition for a Three-Month Extension of Time and a Notice of Appeal From the Examiner's Decision to the Board of Patent Appeals and Interferences. In an August 7, 2002 Advisory Action, the Examiner assigned to the subject application stated that the amendment filed June 24, 2002 failed to place this application in condition for allowance. Therefore, an appeal brief further to the June 19, 2002 Notice of Appeal was originally due August 19, 2002. Applicants hereby petition for a five-month extension of time. Applicants have previously established small entity status. The required fee for an additional five-month extension of time for a small entity is \$985.00 and a check in this amount is enclosed. Therefore, an appeal brief is now due January 19, 2003. However, since January 19, 2003 falls on a Sunday, a response filed on the next succeeding day which is not a Saturday, Sunday or Federal Holiday, i.e. Tuesday, January 21, 2003, is considered timely under 37 C.F.R. §1.7. In lieu of filing an appeal brief, applicants are filing a CPA and request that the Examiner consider the corresponding request for filing a continuation application under 37 C.F.R. §1.53(d) continued prosecution application (CPA) for the above identified application. The required fee for filing a CPA for a small entity is \$375.00 and
